Dear Records Access Officer:

Under the provisions of the New York Freedom of Information Law, Article 6 of the Public Officers Law (<http://www.dos.ny.gov/coog/foil2.html>), I hereby request copies of the following records:

- The document/e-mail written, composed, and/or sent by Daniel Wiesenfeld regarding President Trump, President Trump's allies, and/or a directive to investigate President Trump and/or President Trump's allies and referenced in the August 30, 2026, *New York Post* article entitled "Prosecutor in NY AG Letitia James' office says he was ordered to dig up dirt on Trump allies: report."

Per the requirement of Public Officers Law § 89(3)(b), please provide these records to me via email at Jason@NYGOP.org. If you believe that the records cannot be transmitted by email please inform me of the reason why and of any cost of providing them by another method such as another electronic storage medium.

If you believe that this request is too broad or does not reasonably describe the records requested, or that any of these records are exempt from disclosure, please contact me promptly by email or by phone at 917-951-2306 so that I may clarify the request. In addition, if you believe that any of the records requested are exempt from disclosure, please also promptly inform me by email of the exemption upon which you rely, the basis on which the exemption is invoked, and the name of the individual responsible for the decision.

As you know, the Freedom of Information Law requires that an agency respond to a request within five business days of receipt of a request. I look forward to hearing from you shortly.

Thank you for your prompt consideration of this request. If you have any questions, please contact me by phone or e-mail.

Sincerely,

Jason S. Weingartner
